

**National Call-in Day – Friday, September 14, 2018:** Based on Judge Kavanaugh’s [record](#) on issues important to people with disabilities, [disability groups](#) strongly oppose his confirmation. Last week's confirmation hearing did nothing to ease concerns about Judge Kavanaugh being appointed to the Supreme Court. His confirmation is a real threat to hard-won rights and protections for people with disabilities. His record shows that Judge Kavanaugh would place at risk access to health care, civil rights protections, opportunities for people with disabilities to make choices about their own lives, and the ability of executive branch agencies to enforce laws protecting people with disabilities. The Senate will soon vote on Kavanaugh's nomination so we need to make our voices heard now!

**Let’s make all of our voices heard together on the National Call-in Day on Friday, September 14, 2018.**

#### **What You Can Do:**

- **Educate** your Senators about Kavanaugh’s disability record and raise concerns. Ask them to VOTE NO on his confirmation if you can.
- **Call** your senators through the Capitol Switchboard at (202) 224-3121.
- **Call-in Script:**  
My name is **[your full name]**. I’m a constituent of **Senator [Name]**, and I live in **[your town]**. I’m calling to ask the Senator to vote NOT to confirm Judge Kavanaugh. Judge Kavanaugh would undermine the Affordable Care Act, and he is a danger to the rights of people with disabilities. In 2007, he ruled that people with intellectual disabilities don’t have a right to a say in our health care. People with disabilities like **[me/ my family member/ my friends]** have a right to health care, and we have a right to make our own choices about what happens to our bodies. Please keep this dangerous man off the Supreme Court.
- If you live in **Maine, Alaska, Indiana, Alabama, North Dakota, or West Virginia**, it is particularly important to contact your senators. Also email key staffers for these senators if you live in one of those states (addresses below). If you know anyone in these states, reach out to them and ask them to contact their Senators.

- **Write** to your Senators. You can use this [link to ask to oppose](#) (Access Living) and link to educate [and raise concerns](#) (AUCD)
- **Visit** your Senators in their DC or home offices.
