

Bazon Accessibility Statement

Since 1972, the Judge David L. Bazelon Center for Mental Health Law has advocated for the civil rights, full inclusion and equality of adults and children with mental disabilities. We were pivotal in expanding the civil rights movement to include fighting discrimination against, and segregation of, people with mental disabilities. Today, the Bazelon Center accomplishes its goals through a unique combination of litigation, public policy advocacy, coalition building and leadership, public education, media outreach and technical assistance—a comprehensive approach that ensures we achieve the greatest impact.

Bazon is committed to digital accessibility, and to conforming to the [Web Content Accessibility Guidelines \(WCAG\) 2.1](#), Level AA and complying with the [Accessibility for Ontarians with Disabilities Act \(AODA\)](#) effective communication requirements, and other applicable regulations.

To accomplish this, we have partnered with eSSENTIAL Accessibility to administer our accessibility program and oversee its governance. Their accessibility program evaluates and audits our digital products on an ongoing basis in accordance with best practices and is supported by a diverse team of accessibility professionals, including users of assistive technologies. The platform makes an [assistive CX technology application](#) available to customers who have trouble typing, gesturing, moving a mouse, or reading. The application is free to download, and it incorporates tools such as mouse and keyboard replacements, voice recognition, speech enablement, hands-free/touch-free navigation, and more.

We want to hear from you if you encounter any accessibility barriers on our digital properties. Please contact our Customer Support at communications@bazelon.org
